Call for Sponsors

The **Arundel Vocal Arts Society**, in support of **The Light House of Annapolis** and **Arundel House of Hope**, is seeking sponsors for the production of two performances of **Street Requiem**. These programs offer multimedia experiences that feature vocal and instrumental music, dance, art, poetry, video, and personal stories.

The central focus of **Street Requiem** is to honor and remember those who lost their lives on the streets. It is hoped that those who attend these performances will leave with a deeper understanding of those who are or have been homeless-without a safe place to sleep, without food to eat, without a coat to keep warm, without a helping hand.

In order to produce innovative, artistic programs that address the well-being of our community, AVAS is seeking donations and sponsors from our local businesses and services. If you wish to support this project we have the following production needs. In return, we would like to acknowledge your contribution in our printed concert programs, on our social media platforms, and on our websites.
