

# 2018-19 Winter Relief Appreciation Dinner

April 9, 2019

6:00pm

Arundel House of Hope  
Helping the Homeless Since 1992

On October 14th we started our 27th season as an emergency shelter. Our appreciation goes to the following hosting sites who transformed their facility into a shelter for the week. Many sites were assisted by other churches, synagogues, and organizations and although impossible to list, our gratitude extends to them as well.

This season has brought some very positive changes to our program, including participating in the Department of Housing and Urban Development (HUD) Coordinated Entry system. The goal is to focus on reaching those who are at highest risk due to homelessness. In this new process, we are working with multiple organizations including Department of Social Services (DSS) Emergency Response, Crisis Response, Sarah's House, Light House Shelter, and Community Action Agency, to name a few. This is an important process through which people experiencing, or at risk of experiencing, homelessness can access the crisis response system in a streamlined way. Standardized assessment tools and practices are used to take into account the unique needs of those who are experiencing homelessness, thereby quickly connecting them to appropriate, tailored housing and mainstream services within the community. The most intensive interventions are prioritized for those with the highest needs. This translates into the DSS sending our shelter those that are most vulnerable and getting them off the streets.

We are also in the beginning stages of transitioning to a housing-focused model as outlined by the National Alliance to End Homelessness. This is an efficient and coordinated process that moves people through the crisis response system from homelessness to housing as quickly as possible.

*We are a mission of grace and mercy - striving to keep those experiencing difficult times in the Baltimore/Annapolis corridor from freezing to death during the winter months and to show them God's love in simple practical ways.*

Agape Deliverance Ministry	Mid Atlantic Community Church
Annapolis Evangelical Presbyterian	Mt Olive AME B2:B26Church
